WESTERN MONTANA'S Glacier Country

Western Montana's Glacier Country is a region steeped in natural wonders, cultural richness and unforgettable experiences. Glacier National Park and Flathead Lake offer world-class outdoor recreation, and our vibrant small towns welcome visitors with warm hospitality and incredible adventures that can only be found in this extraordinary corner of Montana.

Spectacular Unspoiled Nature

- + Glacier National Park
- + Wildlife in its natural habitat
- + Blue-ribbon trout streams and glacial-fed lakes
- + National wildlife refuges and expansive forests
- + Flathead Lake, the largest freshwater lake in the West

Breathtaking Experiences and Unforgettable Adventures

- + Tour Going-to-the-Sun Road on a historic red bus or Sun Tour
- + See Whitefish Mountain Resort on a chairlift or zip line tour
- + Cast a line on the Clark Fork, Bitterroot and Flathead rivers
- + Bike the Going-to-the-Sun Road in spring and fall
- + Saddle up for a horseback trail ride

Warm Western Hospitality

- + Experience cowboy culture at a local rodeo
- + Soak up the Old West at a guest ranch
- + Meet the American Indian nations in Montana
- + Uncover culinary secrets with farm-to-table dining
- + Discover historic lodges, luxury guest ranches and branded hotels
